Seeks certain clarification in the matter

The newly re constituted Davangere city municipal Council has resolved on 1 8 52 that the Council Shall have a Vice-president as hitherto The Commr therefore seeks instructions as to the future action to be taken to hold the elections or the Special Reference to the provision contained in Rule 1 (b) of the Rules for the Election of president and Vice-president of the city municipal Council prescribing the time Limit for conducting these election meetings

a) The Davangere city municipal Council had therefore decided upon having a Vice-president for the municipal Council and this office has been held during the entire terms of the municipal Council The present case therefore obviously comes under Rule 1 (b) of the Election Rules which read as the Sec 23 (1) of the Act makes it abundantly clear that there is no need for the municipal Council to decide by a Resolution, on having a Vice president each time

the Council is Re-constituted Further these provisions in the principal Act Sections Consolidated upto the Recent amendment of 1951 to the City Municipalities Act coming into force when the previous Council has once Created the office, a meeting should have been Convened within one month from the date of Reconstitution for the election of the Vice President as provided for in Rule 1 (a) without waiting for a Resolution of the Reconstituted Council when action has been taken to hold the election of the President, it is not clear whether a different Course of Consulting the municipal Council for the Vice Presidential office alone was adopted not Calling the meeting within one month from the date of Reconstitution to elect a Vice-President appears, in the circumstances, to be an omission and the only Record seems to be to get or leave a fresh election under Rule 9 of the Election Rules

(13) The rules regulating the election of the President and Vice-President of the City Municipal Council (vide pages 41 to 44 of the rules) have been framed under clause (c) of sub section 2 of Section 23 of the Mysore Municipal Regulations 1906, as amended by Regulation V of 1918 These rules are deemed to have been continued by virtue of saving clause in Section 2 of Act VII of 1933 which repeals the Act of 1906. Sub-clause (b) of Section 2 of Act VII of 1933 provides that any rules made under the Act repealed shall be deemed to have been made under the Act of 1933 In the present case, for failure to take action to elect a Vice-President in accordance with rules I(b) of the rules, further action is proposed to be taken under rule 9 Rule 9 provides as follows "In the event of no election being made within the prescribed period or in the event of an election held not being approved by Government or in the event of two candidates securing an equal number of votes, Government may appoint the President or the Vice-President as the case may be or may order fresh election" But Sec 23(5) of the City Municipalities Act, 1933 provides that if any Municipal Council fails to elect a President or a Vice-Preside within such reasonable time as the case may be, may be appointed by the Government. The amendment of this Section by Act XXXVI of 1951 does not alter the position It is possible to argue that rule 9 is not really inconsistent with section 23(5) of the Act of 1933, since rule 9 says that if no Vice-President is elected within the time prescribed, Government can appoint a Vice-President, whereas section 23(5) provides that Government can appoint a Vice-President only in case he is not elected within a reasonable time as may be specified in a notice issued by Government Even if there is such an inconsistency, the rule to the extent of the inconsistency is void In the present case, since no Vice-President is elected within the time prescribed by rules, Government have to issue a notice to hold the election of the Vice President within a reasonable time to be mentioned in the notice, if no election is made even within that time Government can appoint a Vice-President

R.C.No.B.C.33/52-53

Dear Sir,

Subject Election of a non-official Vice-President to the Davangere City Municipal Council after its reconstitution with effect from 1st July 1952

---

I write to state that after the reconstitution of this City Municipal Council with effect from 1st July 1952, the question of having a Vice-President or otherwise to this City Municipal Council was considered by the Municipal Council at its Special General Meeting held on 1st August 1952, and it was unanimously resolved to have a Vice-President as hitherto to this Municipal Council as required in section 32(1) of the Mysore City Municipalities Act

I am to state that from the rules in force on the subject, it is seen that the time limit of one month prescribed in rule 1(b) of the rules regulating the election of Presidents and Vice-President cannot be applied in the present case to fix up the date of election and convey the meeting in this behalf, as it specifies that the election of the Vice-President shall take place not later than one month from the commencement of the term of the Council

The reconstituted Council came into force from 1st July 1952

It is a point for consideration whether the election of the Vice-President could now be held in pursuance of the Resolution of the Municipal Council dated 1st August 1952 under Rule 1(b), and if it could be observed whether it would be legal

P T O

If the reply is to be in the negative, instructions of Government are solicited as to the time limit that has to be observed now in the present case for calling a meeting to elect the Vice-President

A copy of the resolution of the Municipal Council dated 1st August 1952 is enclosed herein for favour of kind reference

With a view to avoid any legal flaw that might crop up at a later stage, I seek immediate and kind instructions of Government as to the further action to be taken in this behalf as also the provision of law and the time limit that could be observed to call for a meeting in the present case

On receipt of orders of Government in this behalf, action will be taken to call for the meeting of the Council to elect the Vice-President

Forwarded

Yours Sincerely,
